

# Hero Training Camp VBS What's Included

## VBS Kit \$159.95

Hero Training Camp uses the life of David and the biblical concept of the conscience to teach children to be internally motivated in four areas: Do what's right, deal with wrongs, be honest, and care about others. This action-packed, activity-based VBS program uses a station approach to teach kids that God has provided them with the standard equipment to be heroes in training now.
